SUMMARY

I am Arif Musadi, with a bachelor degree in Computer Science from Binus University with high interest in software engineering fields such as mobile programming, front-end development, and Intelligent Systems. Experienced in creating applications using Android Studio on Java language, made Websites with PHP language, created an UI application using Figma, create and presented a research paper at ICCSCI, and published the paper in Elsevier.

EXPERIENCE

Autors   Feb 2023 - Aug 2023

The 8th International Conference on Computer Science and Computational Intelligence - Malang , Indonesia

- Participated as one of the campus representatives in creating a research journal with the theme of Computer Science and Computational Intelligence.
- Create a research paper, and create two algorithm models, Artificial Neural Network and Decision Tree using Python.
- Present the paper in front of the professor and other researchers.

Contributor   Sept 2021 - Sept 2022

Bina Nusantara Computer Club

- learn the Java language.
- learn application development using Android Studio.
- Created a food recipe and hotel booking application project

Trainer – Intern   Feb 2024 – Feb 2025

PT. Talenta Indonesia Berkarya

- As a Coding Instructor specializing in Artificial Intelligence with R, your role involves teaching students how to apply R programming to solve AI-related problems and analyze data effectively.
- As a Trainer provides training and teaching related to Microsoft PowerPoint applications, helping participants master presentation tools to improve productivity and quality of materials.
- As an administrator, I handle the administration of teaching content creation, including the preparation of lesson plans, to ensure the learning process is structured and on target.

EDUCATION

Binus University - Bachelor of Computer Science

2021 – Expected Graduation in 2025 (GPA 3.48 / 4.00)

SKILLS

HARD SKILLS

- Android Studio (Java, XML)
- Web Programming (HTML, CSS, PHP)
- Microsoft Office
- Figma
- Java Language
- Laravel
- Firebase
- My SQL

SOFT SKILLS

- Communication
- Public Speaking
- Problem Solving
- Team Work
- Time Management
- Administration

CERTIFICATES

Contribution as an Author in publishing paper   August 2023

International Conference on Computer Science and Computational Intelligence
Paper DOI 10.1016/j.procs.2023.10.540

Mobile Application Development   Sept 2022

Bina Nusantara Computer Club
ID Kredensial 001/LNT/III/MEMBER/BNCC/KMG/XXXIII/09.2022

LANGUAGES

Bahasa   Native   English   Intermediate
